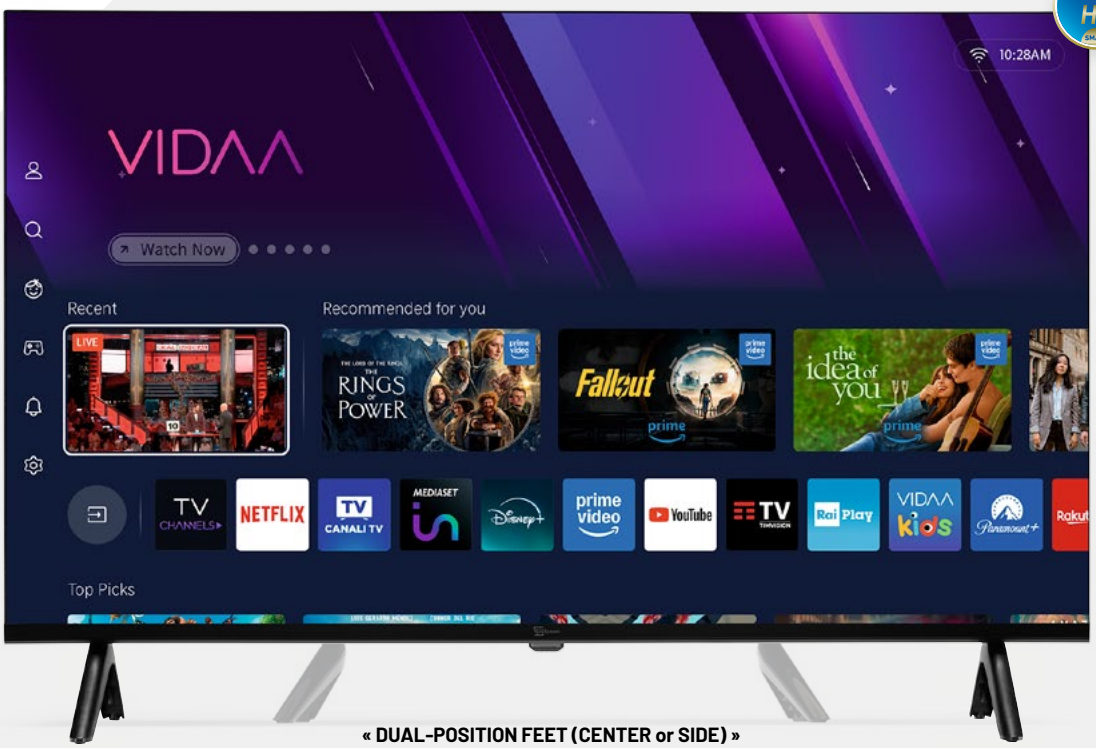
POWERED BY VIDAA

EAN 8051511394050
Art. 28000249

FRAMELESS (ONLY 2mm)



« DUAL-POSITION FEET (CENTER or SIDE) »

Elevate your viewing experience with the new TELE System TS32LXSMV15F Powered by VIDAA, the Smart TV that perfectly merges the world of streaming apps with high-quality digital TV signals (DVB-T2/S2/C HEVC).

The Best of Satellite and Terrestrial
Forget complicated setups. Thanks to tivùsat HD certification and full compatibility with TELE System tivùsat CAMs, you can instantly access hundreds of free-to-air high-definition channels, featuring always-updated lists and crystal-clear picture quality.

Smart Features for a Tailored TV
At the core of the system is the Powered by VIDAA Smart TV OS, granting you access to all the top streaming apps, always kept up to date. HbbTV transforms the way you watch television: use the "Restart" function to watch currently airing programs from the beginning or access on-demand services to never miss your favorite content. With the USB-powered "TV PAUSE" feature, you have total control over live broadcasts: pause and resume whenever you want, while the integrated media player plays your multimedia files in an instant.

Excellence for Home and Business
The refined design and the 2 mm frameless bezel make this 32" TV perfect for any setting, from the home to hospitality facilities. The TS32LXSMV15F supports SCR satellite systems and includes the advanced Hotel Mode with Web Privacy: this technology ensures maximum security for hotel and B&B guests by automatically clearing sensitive data and app login credentials upon power-off.
