3-PORT USB CHARGER

TS809 EU 65W GAN - ULTRA-FAST CHARGING

EAN: 8051511394395 | COD: 26015003

2x USB type C

USB type A

65W GAN PD & QC USB CHARGER: UNLEASH POWER AND SPEED

Tired of waiting hours for your devices to charge? Step into the era of ultra-fast charging with the TS809 USB charger, a powerhouse of technology designed for your digital life on the go.

By integrating revolutionary **GaN** technology, we've created an incredibly compact and efficient device capable of delivering surprising power without overheating. Thanks to **Power Delivery (PD)** support, you can quickly power your most demanding USB-C devices, such as the latest generation smartphones.

But we didn't stop there. Compatibility with **Qualcomm Quick Charge (QC)** ensures blazing-fast charging for a wide range of Android devices. No matter the brand of your smartphone, if it supports Qualcomm Quick Charge, this charger will take it to 100% in the blink of an eye.

LIGHTWEIGHT, VERSATILE, UNIVERSAL

Versatility is at the heart of its design. With two **USB-C** ports and one **USB-A** port, you can **charge up to three devices simultaneously**. Intelligent power management ensures that each device receives the optimal power for safe and efficient charging.

Whether you're at home, in the office, or traveling across Europe, this charger will be your ideal power companion. Its compact size makes it perfect to carry with you at all times, without adding bulk to your bag or backpack.

Charging	Universal, adaptive, super-fast
Charging Technologies	GaN
	PD (Power Delivery)
	QC (Qualcomm Quick Charge)
Input	AC 110~240V 50/60Hz 1.5A
USB-C(1) out	DC 5V⎓3A/9V⎓3A/12V⎓3A/15V⎓3A/20V⎓3.25A (65W max)
USB-C(2) out	DC 5V⎓3A/9V⎓3A/12V⎓3A/15V⎓3A/20V⎓3.25A (65W max)
USB-A output	DC 5V⎓3A/9V⎓3A/12V⎓2.5A/20V⎓1.5A (30W max)
USB-C(1) + USB-C(2) output	45W + 18W (63W max)
USB-C(1) + USB-A output	45W + 18W (63W max)
USB-C(2) + USB-A output	5V⎓3A (15W max)
USB-C(1) + (USB-C(2) + USB-A) output	45W + 15W (60Wmax)
Protection Systems	Overload, Overcurrent, Short Circuit, Overvoltage, Temperature, and Power
Certifications	ISO9001, CE, ROHS, FCC

Secure and stable adaptive charging, smart-managed by the built-in chip

Keeps your devices safe from overloads, overvoltage, short circuits, and overheating
