

PALCO 22/L03

22" LCD TV with built-in DVB-T

The TELE System PALCO/L03 series televisions offer extraordinary image quality.

The PALCO22/L03 22" LCD TV, thanks to its built-in digital terrestrial tuner, allows you to see all the free to air TV and radio programs transmitted in digital quality.

Thanks to its HDMI connection, the PALCO 22 L03 is HD READY and has the particular function HOTEL MODE.
