

# PALCO22/L02 COMBO

LCD TV with built-in DVB-T and DVD player

TELE System PALCO22/L02 COMBO LCD TV has a built-in DVB-T tuner and DVD reader, in addition to a CAM slot.

With the built-in digital terrestrial tuner (DGTVi certified) you will be able to see all the free to air TV and radio programs in digital quality, and what's more you can access the pay to view offer thanks to its CAM slot.

The PALCO line has an HDMI connection, it is HD Ready and implements the special "PROTECTION SYSTEM" Hotel function.

Product quality and high definition compatibility is guaranteed by the SKY HD TESTED seal of approval.

LCD TV + DIGITAL TERRESTRIAL TUNER + DVD = TV has scored a hat trick!
