

TS1.5 LU

2.4 GHz digital wireless headphones

Product codes

TS1.5 LU: 23500047

The Digital wireless headphone TS1.5LI makes high-fidelity audio transfer possible wherever you are. You just need to connect the transmitter through the suitable Line-in port to an audio source (computer, stereo HI-FI, MP3 player, etc.). The receiver gives you the possibility to change the signal source quickly and easily (up to 4 different channels) and to transfer wireless the audio signal to the receiver connected to the headphones included in the kit.
