HIGH-QUALITY SOUND WITH NO LIMITS

Take your audio-experience to the upper level: experience crystal clear sound and make flawless calls wherever you are, with TELE System TS868 ENC wireless earphones.

ABSOLUTE COMFORT AND ZERO DISTRACTIONS

The Environmental Noise Cancellation function (ENC) skillfully cancels the noises that surround you, to allow clear calls. The ergonomic design of the earphones assures the optimal comfort even with long-time use.

INCREDIBLE OPERATING TIME

With a battery life of up to 35 hours of use, TELE System earphones will be you everywhere, all day long: phone-calls, music and podcasts listening without stops!
